Club Med 

Did you know?

G.O® (Great Organisers) - these are the Club Med Resort staff. They embody all our values: a multicultural spirit, plenty of kindness and responsibility. They're here to help you with anything you need during your stay.

G.M® (Great Members) - this is how Club Med refers to you, our guests.

Chef de Village - is head of the Resort and here to maintain the Club Med spirit.

Crazy Signs® - this is a true Club Med custom. It's a dance that has become a tradition for every Club Med Resort and is enjoyed by parents and kids alike.

Dress Code - each night your G.O® will be dressed to reflect the theme of that evening.

ON YOUR ARRIVAL

From the moment you arrive Club Med will take care of everything.

A special welcome awaits

Our G.O® will be waiting to greet you and your family when you arrive at the Resort. The Chef de Village will also give you a personalised welcome and together with the G.O® will tell you everything you need to know about your holiday

so you can simply relax and look forward to what's to come.

Because we welcome people from all over the world, our G.O® speak many different languages. You'll be able to tell which ones by the flags on their badges.

On arrival at Reception

Once you've arrived at the Resort, you'll be given a few things to make sure you get the most out of your stay.

Your Wristband - this gives your family access to all Club Med's amenities/services throughout your stay (sports, bar, food, etc.). Two types of wristbands will be provided - one for Over 18s, one for Under 18s.

Club Med Pass - this pass lets you enjoy a few small supplementary delights. Just put any optional extras from the shop, the SPA or anywhere else in the Resort on this card.

LIVE TO SKI

A Club Med skiing holiday means you'll want to get out onto the slopes as soon as possible and with a piste right on the doorstep of your Resort, you can.

Sign in for all-level ski classes after arrival. From beginners to expert skiers, our Alpine skiing or snowboarding instructors are here to help evaluate your level and advise on classes to attend.

Our exclusive partnerships with the French (ESF), Italian and Swiss Ski Schools guarantee truly professional teaching, with tips to improve your style. Plus, with all their local knowledge, your instructors can help you discover hidden runs and the best of the piste.

Your free Ski Pass will be waiting for you at Reception. It's valid for the full 6 days of your stay from your arrival date.

Equipment rental - skis or a snowboard, every Resort has a Club Med Ski Service that offers you a rental option.* In a real store environment, you can hire high quality equipment chosen from the best brands. Try a different winter sport and change your equipment at any point.

*Available at extra cost

Book your equipment before you leave and receive a 15% discount.

OTHER SPORTS AND ACTIVITIES

Winter recreations

As well as skiing and snowboarding, there are plenty of other winter recreations to try as part of your all-inclusive package, such as hiking, snow-shoe walking, and luge. What's more you can even experience exhilarating snow activities such as snowmobile, ice-riding, and ice-diving.*

Relaxation

Unwind after a day full of sports activities and recharge and revitalize yourself in our world-class SPAs*. Prestigious treatments from brands such as L'Occitane en Provence, Caudalie and Payot, expert therapists and tranquil Zen areas will all allow your cares and worries to simply float away. Our swimming pools and gyms are also great places to relax and keep yourself trim.

*Available at extra cost

If you are staying in a Village with a SPA, to guarantee the best treatments we'd advise you to book in advance with your travel agent, or on arrival at Reception.

A full-page background image of a snowy mountain landscape. In the foreground, two skiers are visible: one in a bright yellow jacket and another in a black jacket with yellow pants, both skiing down a snowy slope. The middle ground shows a wide, snow-covered valley with some small buildings and trees. In the background, there are large, rugged mountains with patches of snow under a clear blue sky.
